## About

This indicator is the percentage of citizens in the general population who are currently on a waiting list to be registered with a permanent family doctor or nurse practitioner.

## Source

Primary Health Survey and Primary Care Survey

## Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Are you currently on a wait list to be registered with a permanent family doctor or nurse practitioner?

## Notes

This indicator has been discontinued.
