About

This indicator is the percentage of acute care patients who reported that nurses always listened to them carefully.

Source

Hospital Acute Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "always" by the number of respondents who answered "never, sometimes, usually or always" to the question: During this hospital stay, how often did nurses listen carefully to you?

Unit	Interpretation	NBHC code
%	Higher is better	AU_CWN02_1
