About

This indicator is the percentage of acute care patients who reported that their room and bathroom were always kept clean.

Source

Hospital Acute Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "always" by the number of respondents who answered "never, sometimes, usually or always" to the question: During this hospital stay, how often were your room and bathroom kept clean?

Unit	Interpretation	NBHC code
%	Higher is better	AU_PHY01_1
