About

This indicator is the percentage of acute care patients who reported that this hospital definitely took their safety seriously.

Source

Hospital Acute Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "yes, definitely" by the number of respondents who answered "yes, definitely, yes, somewhat or no" to the question: Do you believe that this hospital takes your safety seriously?

Unit	Interpretation	NBHC code
%	Higher is better	AU_SAF01_1
