Anglophone sector	15.1

About

This indicator is the percentage of students in grades 4 and 5 who reported they did not want to go to school because they were afraid other students would be mean to them.

Source

Department of Education and Early Childhood Development

Calculations

This indicator is calculated by dividing the number of respondents who answered "mostly true or very true" by the number of respondents who answered "not at all true, only a little true, mostly true or very true" to the question: Pick the choice that best describes how you feel. During the past two weeks... b) I did not want to go to school because I was afraid other students would be mean to me.

Notes

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
