Calculations

This indicator is calculated by dividing the number of respondents who answered "agree or strongly agree" by the number of respondents who answered "strongly disagree, disagree, neither agree nor disagree, agree or strongly agree" to the question: What do you think of the following statement about language and culture: d) I am learning things in school that I can use outside of school.

Notes

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
