## About

This indicator is the percentage of citizens receiving home care services from home support workers who reported that the staff always kept them informed about when they would arrive at their home in the last 2 months.

## Source

Home Care Survey

## Calculations

This indicator is calculated by dividing the number of respondents who answered "always" by the number of respondents who answered "never, sometimes, usually or always" to the question: In the last 2 months, how often did home support workers keep you informed about when they would arrive at your home?
