About

This indicator is the percentage of citizens receiving home care services from home support workers and from an informal caregiver who reported that they received grooming or dressing services from an informal caregiver in the last 2 months.

Source

Home Care Survey

Calculations

This indicator is based on respondents who receive help from informal caregivers. This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Have you received any of the following services from a friend, family member or volunteer in the last 2 months?
Grooming or dressing

Unit	NBHC code
%	HS_FCGGD_1
