## About

This indicator is the percentage of citizens receiving home care services from the Extra-Mural Program who agree or strongly agree that the staff gave them the information they needed to take care of themselves in the last 12 months.

## Source

Home Care Survey

## Calculations

This indicator is calculated by dividing the number of respondents who answered "agree or strongly agree" by the number of respondents who answered "strongly disagree, disagree, neutral, agree or strongly agree" to the question: The program staff gave me the information I needed to take care of myself.

## Notes

This indicator has replaced the following indicator(s) previously available on our website:
