## About

This indicator is the percentage of citizens receiving home care services from the Extra-Mural Program who agree or strongly agree that the staff allowed them to set their goals and priorities when they first started receiving services.

## Source

Home Care Survey

## Calculations

This indicator is calculated by dividing the number of respondents who answered "agree or strongly agree" by the number of respondents who answered "strongly disagree, disagree, neutral, agree or strongly agree" to the question: The program staff allowed me to set my goals and priorities.

## Notes

This indicator has replaced the following indicator(s) previously available on our website:
