### About

This indicator is the percentage of citizens receiving home care services from the Extra-Mural Program who agree or strongly agree that the staff encouraged them to do things for themselves if they could in the last 12 months.

### Source

Home Care Survey

### Calculations

This indicator is calculated by dividing the number of respondents who answered "agree or strongly agree" by the number of respondents who answered "strongly disagree, disagree, neutral, agree or strongly agree" to the question: In the last 12 months, the Extra Mural program professionals encouraged me to do things for myself if I could.
