## Source

Student Wellness and Education Survey, Grades 6-12

## Calculations

This indicator is based on 3 individual survey questions: question #1 "In the past 12 months, have you participated in a sport or physical activity with a coach or instructor?", question #2 "In the past 12 months, have you participated in music, drama or art clubs or lessons? Only include activities that take place outside of school hours (they can take place at school).", and question #3 "In the past 12 months, have you participated in other types of organized clubs or community groups such as Scouts, Guides or chess clubs?". Response options for all three questions are: yes or no. This indicator identifies respondents who participated in at least one organized activity by including those who answered "yes" to at least one of the three questions, and excluding those who answered "no" to all three questions.
