About

This indicator is the percentage of citizens without a primary care provider who reported that they had registered with NB Health Link and were on its wait list.

Source

Primary Health Survey and Primary Care Survey

Calculations

This indicator is based on respondents who Registered with NB Health Link. This indicator is calculated by dividing the number of respondents who answered " Not applicable- I am on a wait list with NB Health Link" by the number of respondents who answered "No, yes and not applicable" to the question: In the last 12 months, did you have an in-person or virtual medical appointment using NB Health Link?

Unit	Interpretation	NBHC code
%	Lower is better	PC_NODIV_2
